SAFETY GUIDELINES

With spacious facilities and outdoor green spaces, the museum positioned to welcome up to 45 visitors at a time.

OHTM has implemented a robust cleaning schedule, sanitizing all public areas and high-touch surfaces frequently throughout the day.

- Maintain a 6-foot social distance from others.
- Visitors are required to bring face coverings and wear them whenever social distancing is not possible, both inside the facilities and in designated outdoor spaces.
- Visitors must follow all safety and directional signage during their visit.
- Hand sanitizer stations are located throughout the public spaces.
- Individuals who are ill or experiencing coronavirus symptoms should not visit the museum for the safety of our other guests and staff.
