# Auction Bidding Terms and Conditions

## PRODUCT REPRESENTATION AND WARRANTIES

All items in this auction are sold in "as is" condition. Neither Owls Head Transportation Museum nor the auctioneer(s) make any representation to bidders as to the operational nature, genuineness of original parts, mileage, restoration, provenance, as well as any written or stated material facts pertaining to these items. The seller has provided any information used in the description of the items being sold. Any warranty, if offered, shall be in writing by the seller, and shall be between the winning bidder and the seller. Statements in the auction catalog and those made by the auctioneer come from reliable sources, however all bidders will bid based on their own assessment, inspection, knowledge and opinion of the value of the item. OHTM and the auctioneer(s) do not inspect, assess, or confirm the descriptions, conditions, or representations made by sellers.

## EXECUTION OF RESERVES

Unless otherwise stated, each item is offered with a reserve set by the seller. Reserves amounts do not have to be disclosed to bidders until the reserve has been met. The auctioneer reserves the right to bid up to, but not exceeding the reserve on behalf of the seller.

## RECOGNITION OF WINNING BIDDER

The auctioneer shall acknowledge the highest bidder as the purchaser of each item offered, providing that the reserve has been met. In the event of a disputed bid, the auctioneer shall have the sole authority to determine the winning bidder. The auctioneer may accept bids from properly registered live, absentee, phone, or Internet bidders, as well as refuse to accept any bids, he deems appropriate.

## OWNERSHIP AND TITLE

Ownership is transferred from the seller to the buyer when the auctioneer accepts the highest bid. Providing that proper payment is made, title, when applicable, may then take place between seller and buyer. In no event shall OHTM or the auctioneer(s) guarantee title.

## SALES TAX

All items sold in this auction are subject to a 5.5% State of Maine sales tax. Sales tax exemptions must be accompanied with current filing of resale status.

## BUYERS PREMIUM

Buyer's premium of 10% will be added to the total sales price of all items sold in this auction. Any buyer's premium collected as a result of the sale of these consignments shall belong to OHTM.

## PAYMENT

Payment to consignors will be made according to the consignment contract within 15 banking days after confirmation and settlement in full from purchaser.

## REMOVAL OF SOLD ITEMS

Upon successful payment, all items, articles or vehicles shall be removed from the sale area by purchaser at his/her expense no later than one week following the sale, and if not removed by that date, the Museum may remove the property to nearby storage with moving and storage costs at the expense of the purchaser, unless prior arrangements have been made with OHTM.

## INSURANCE AGAINST LOSS:

Insurance against all perils and loss must be provided by the consignor if such protection is desired. 24-hour security will be provided by the Museum, yet in no event do the auctioneer or Museum assume any liability for a consignor's vehicle or items.

## GENERAL TERMS

Bidding on any article(s) in this auction indicates an acceptance to the terms and conditions of sale stated herein. Any litigation resulting from a dispute as a result of this auction shall be settled in a court within the state of Maine. This auction is conducted in accordance to the State of Maine rules for auctioneers and the Uniform Commercial code 32 M.R.S.A. Title 11, section 2-328. Department of Professional Regulations and Licensing, 35 State House Station, Augusta Maine 04333
