PRODUCT REPRESENTATION AND WARRANTIES

All items in this auction are sold in "as is" condition. Neither Owls Head Transportation Museum (OHTM) nor the auctioneer(s) make any representation to bidders as to the operational nature, genuineness of original parts, mileage, restoration, provenance or any written or stated material facts pertaining to these items. The auctioneer shall acknowledge the highest bidder as the purchaser of each item offered, providing that the reserve has been met. In the event of a disputed bid, the auctioneer shall have the sole authority to determine the winning bidder. The auctioneer may accept bids from properly registered live, absentee and phone bidders, as well as refuse to accept any bids he deems appropriate.

OWNERSHIP AND TITLE

Ownership is transferred from the seller to the buyer when the auctioneer accepts the highest bid. Providing that proper payment is made, title, when applicable, may then take place between seller and buyer. In no event shall OHTM or the auctioneer(s) guarantee title.

All items sold in this auction are subject to a 5.5% Maine state sales tax. Sales tax exemptions must be accompanied with current filing of resale status or completion of an affidavit of removal from state.

Upon successful payment, all items or vehicles shall be removed from the sale area by purchaser at his/her expense no later than one week following the sale. If not removed by that date, the Museum may relocate the property to a nearby storage facility with moving and storage costs at the expense of the purchaser, unless prior arrangements have been made with OHTM.
