

Birthday Parties at OHTM

Celebrate with science, creativity and discovery!

Host a birthday party your child will never forget—where curiosity leads the way and hands-on learning fuels the fun. Birthday parties at Owls Head Transportation Museum combine guided STEM activities, museum exploration, and plenty of time to play, all led by OHTM's experienced Education Team.

Parties are held in the Science & Industry Center (SIC) STEM Rooms, creating a unique, interactive celebration surrounded by real machines and big ideas.

**Weekends Only
(Saturday & Sunday)**

Available Time Slots
10:00 AM – 12:00 PM or
1:00 PM – 3:00 PM

Parties may enter the space 30 minutes prior to their scheduled start time for set-up.

What's Included

- 2 hours of private STEM room access
- Up to 30 total guests (children + adults)
- Dedicated OHTM educator support
- One 30-minute themed, hands-on activity
- Science & Industry Center playtime
- Guided museum exploration

\$250.00 package!

Additional Guests: More than 30 attendees may be accommodated for \$6 per person.

Each party selects one theme, which includes a 30-minute educator-led activity scheduled at your preferred time during the party.

AVAILABLE THEMES

RACE CAR ENGINEERING: Design, test, and explore speed

AERODYNAMICS: Discover how things fly and move through air

SPACE EXPLORATION: Blast off into hands-on space science

BE AN INVENTOR: Create, problem-solve, and think like an innovator

In addition to the themed activity, party guests will enjoy supervised playtime in the Science & Industry Center + explore the museum galleries together.

OHTM Education staff coordinate closely with museum staff to ensure smooth transitions between spaces throughout the celebration.
